Pancakes

Ingredients:

- 1 ½ cups flour
- 3 teaspoons baking powder
- 1 tablespoon sugar
- ½ tablespoon salt
- ½ teaspoon vanilla
- 2 teaspoons melted butter
- 1 ¼ cups milk
- 1 egg

Instructions:

1. Gather the ingredients.
2. In a large mixing bowl, mix the dry ingredients together (flour, baking powder, sugar and salt). Hollow out a space in the center of the dry mix.
3. In a small bowl, melt the butter in the microwave for 15-20 seconds.
4. Pour the butter, milk, egg, and vanilla into the center of the dry ingredients.
5. Mix together using a spoon or a whisk.
6. With help from an adult, grease a frying pan with cooking spray and put on medium-high heat.
7. Add batter to the pan according to the size you want your pancake. When bubbles form on top, flip and cook 30 more seconds.
